English Language Learners students entering 9th, 10th, and 11th grade:

- Complete 3 reading reflection sheets (see attached)

AP students entering 11th grade:

1. Take notes on all readings... you will be tested during the first two weeks of school.

AND

2. Answer the following question in **essay format**; you must have a least three (3) paragraphs. Identify/explain the major conflict for the author. Explain the steps he/she take in resolving it and what the resolution is.

Students entering 12th grade: Answer the following questions from *Blink* below on your own paper. You may type or write clearly.

1. What is "thin-slicing"? Give an example of it from the book or your own life.
2. What is a "fist"? Give an example from the book.
3. What does Gottman call "The Four Horsemen?"
4. What is priming? How does it work?
5. Give an example of the "dark side of rapid cognition".
6. What is the Implicit Association Test? Take the question given in the book and then discuss your results.
7. What did JFCOM learn in the Millennium Challenge when the Red and Blue teams fought each other?
8. Tell me something about the Facial Action Coding System. Provide two specific examples of this system.
9. Give some examples of what can happen when people aren't good at mind reading.
10. Provide a personal response to the following quote from the book: "But one of the things that Van Riper taught me was that being able to act intelligently and instinctively in a moment is possible only after a long rigorous course of education and experience." Agree, disagree, or discuss.
